

M2 retractable banner stand

M2 is a flexible and easy-to-use retractable display with an innovative solution that makes it easy to vary between different messages in your display. This retractable display is suited for those who need to change their graphics often, or need to replace a campaign at several locations at the same time.

Unique solution for changing your graphics: M2 the hassle free retractable banner stand. Unlike spring loaded retractables the M2 has a unique patented mechanism that makes set-up and graphic change out super easy. Your marketing becomes more cost-effective since changing your graphic is quick and easy and you can do it yourself!

Tension System allows you to change your graphics in no time!

M2 Padded bag included

Telescopic pole: The M2 is equipped with a telescopic pole, which makes it very easy to adjust the height. **Design and colors:** M2 has a minimalist design with a unique look that separates it from the competitors. The unit comes in black with chromed ends.
