Perfect 10 Portable Hybrid Displays

There's nothing like Perfect 10 Portable Hybrid Displays -- easily recognizable and utterly unforgettable. For a flawless presentation at every trade show, the Perfect 10 and Perfect 20 blend large fabric graphics, sexy curves, and portable "no-tools" assembly into a stunning trade show exhibit at a very attractive price.

Choose from seven powder-coated frame colors such as silver, black, red, and blue, and accessories like counters, headers, workstations, and wings. The Perfect 10 makes it easy to expand as your trade show marketing evolves with its patented modular construction. Make your next show a "Best in Show" with a Perfect 10 Portable Hybrid Display.

Features + Benefits:

- ▶ Stylish, Lightweight, and Portable
- ▶ Easy Velcro-attached Fabric Graphics
- ▶ Modern Custom Modular Design
- ▶ Multiple Graphic Spaces for Branding
- ▶ Convenient No-Tools Knob Assembly
- ▶ Numbered Components for Easy Setup
- ▶ Reconfigurable (10 ft. to 20 ft.)
- ▶ Lifetime Warranty on Workmanship
